Modern Apartment Community Delivered in Pittsboro, NC

Sanford Contractors' Commercial Building Division was hired to complete the vertical construction of The Guild Apartments, a 165-home apartment community within MOSAIC at Chatham Park, a 44-acre mixed-use development. MOSAIC is part of Chatham Park, an 8,000+ acre master-planned community in Pittsboro, NC. MOSAIC Developers Eco CP Partners sought to offer residents a convenient, modern living experience.

Sanford Contractors worked with Finley Design architects and CE Group engineers during The Guild's construction. Sanford Contractors managed vertical construction and oversaw subcontractors who performed specialty work for the project. SCL leadership met with the client on a regular basis to effectively communicate project progress.
