

2024 SUMMER INTERNSHIP

SANFORD CONTRACTORS, INC.

BUILDING WITH TRUST

WHO WE ARE

Sanford Contractors is a family-owned and operated multi-service construction company that has been in business for over 50 years. We have four operating divisions: bridge and heavy construction, commercial building, site development, and utility construction along with an in-house support services division. We provide construction services for the commercial, residential, industrial, municipal, state and federal markets throughout North Carolina.
